NEW GOODS! NEW GOODS!!

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Good's

FOR CREECH'S.

Just received, 50 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cen s per yard; want you look at them at 10 cents? and cant you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the remote Bermudas ride
In the Ocean's bosom unespied;
From a small boat that rowed a-long
The listning winds received the song.
COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for $2.00! Do you want them cheaper? same quality. Cant find them! Do you want them finer? I am just the man that has them. 5, 7, 8, 10, 12, 15, 20, 25 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands, and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

CONSERVATIVE CANDIDATE.
For House of Representatives.
DR. J. B. DUNN,
SPECIAL ELECTION 26TH NOVEMBER.

FRANKLINTON CONVENTION.

The delegates to this Convention are requested to meet together on FRIDAY THE 11TH DAY OF NOV. next, at 12 o'clock M., at Franklinton, in order to nominate a candidate of the Conservative party for the House of Representatives of the United States, in the place of the Hon. Robert B. Gilliam, deceased. A full attendance is anxiously desired.

THE COTTON CROP.

The late dry Fall we have had, has had a fine effect on the quantity and quality of the cotton crop in this State, and we presume generally. This offers some encouragement to our planters, notwithstanding the depressing effect of the low prices.

The continuance of the Prussian and French war, must continue to depress prices, but the war cannot be a protracted one, if carried on at the onerous cost with the large force now in the field.

Feeling a deep anxiety in the well-being of our planters, we must repeat to them our recent advice, not to rush the crop into market at present prices. Even those who are compelled to sell the crop at an early day, should make an effort to hold on till after the 1st of January, or longer. If the prospect is favorable to the termination of the war by that time, we do not doubt that prices will at once improve. The factories of Prussia and France must very generally be suspended or run on short time. This will render necessary great activity among the people of both countries, to recuperate from the waste and losses of the war as soon as it terminates. We therefore say to our planters, *watch and wait.*

IMMIGRATION.

The character of the political *status* of a State, and its influence upon her prosperity, is very easily determined whether good or bad, by the ingress or egress of immigrants. Prior to the success of the Democratic Conservative party in this State, every week almost, we heard of our working people leaving the State. Several thousands must have left the State in the past two years.—This Fall we have heard of no emigration from the State.

On the other hand, quite a number of Northern men and Foreigners have visited the State, this Fall, to make permanent settlement among us. Since the election in South Carolina, by which her downward tendency has been certainly effected by the election of the Radicals, quite a number of the people of that State are coming into North Carolina to purchase lands. This spirit will increase so long as that gallant old State is governed by carpet baggers, scalawags and negroes. We invite our neighbors to come into the old North State, and we urge all persons, North or South or in Europe, who want cheap lands, a good climate and good neighbors, to come and buy our lands, and settle among us.

Conservatism will recover the State from the ruin brought upon her by Radicalism, if we are true to ourselves. Her languishing people must raise up their heads and look and labor for the day of complete redemption.

THE ARMISTICE.

The friends of peace in Europe scarcely raised the cup of promise to their lips, when it was dashed in pieces. The news by telegram at best is uncertain, at least too unreliable to act in great matters upon its first suggestions, because so often denied or corrected the succeeding day.

Of course, at this distance, we cannot so well determine the exact situation of affairs in France, or the sources of hope and encouragement the French may have not publicly developed; but it appears to us, common prudence, in her situation, would have dictated an armistice as a road to peace, even upon the terms proposed by Bismarck, more desirable than the present situation. Scarcely any terms to which the French might submit, can be more humiliating or more destructive to the future of France, than the position to which she has been forced by the imbecility and corruption of her public men. She ought to remember it is far easier to mend the breeches, and to put herself in position to recover her lost honors, while something is left to build upon, than after all is lost.

The results so far, are such as we have anticipated for months. France's present resistance is but beating the air. She needs the wisdom of one great mind and the concentration of her resources and efforts to drive out the invader, if that be possible. Division, scattered arms and resources and discord more or less, withal, never rallied or recovered the sinking fortunes of a great nation.

DELEGATES TO FRANKLINTON CONVENTION.—We are authorized to state by that excellent officer Capt. A. B. Andrews of the R. & G. and the Chatham Rail Roads, that delegates to the Franklinton Convention, will only be charged half fare, going and returning on both Roads. Will not Maj. Smith of the N. C. R. R. give the Orange and Chatham delegates the same privilege?

THE MEMORY OF LEE.

Quite a number of the late Confederate officers and soldiers convened in Richmond last Thursday, at the call of Gen. Early, to adopt measures to raise some suitable memorial to the memory of the late Gen. Robert E. Lee. Our space will not admit the full proceedings of the meeting. We regret to see, that no North Carolina officers or soldiers were present, except Gen. M. W. Ransom and Gen. Jos. H. Lane, who is now a resident of Virginia.

Gen. Early was made temporary President, who delivered a most impressive address on taking the Chair. Rev. Dr. Minnegorde offered up a fervent prayer to the throne of grace, and the meeting proceeded to a permanent organization. The following reported by the committee were made permanent officers of the organization:

For President—Jefferson Davis.

Vice Presidents—Maj Gen. Pitzhugh Lee, Maj. Gen. John B Gordon, Maj. Gen. Edward Johnson, Maj. Gen. John R. Trimble, Brig. Gen. W. B. Tallaferro, Brig. Gen. William N. Pendleton, Maj. Gen. William Smith, Brig. Gen. H. A. Wise, Brig. Gen. J. D. Imboden, Col. Charles Marshall, Colonel Walter H. Taylor, Colonel Charles Marshall, Colonel W. K. Perrine, Colonel Peyton N. Wise, Gen. M. W. Ransom, Capt. Robert Pegram, Gen. L. L. Lomax, Col. Henry Peyton, Col. J. M. French, Col. R. E. Withers, Maj. William N. Berkley, Col. William Willis, Col. William Preston Johnson, Lieut. Mann Page, Privates William Martin, of Fauquier; G. Hough, of Baltimore, and G. Elder, of Maryland, and Sergeant W. Wirt Robinson.

Secretaries—Capt. E. S. Gregory, Serg't. George L. Christian, Capt. C. C. Lawson, Serg't. James P. Cowardin, Capt. W. A. Anderson, Private Abner Anderson, Capt. S. D. Houston, Capt. George Walker, and Maj. William B. Myers.

When Mr. Davis arose to take the Chair, the entire audience arose to their feet and greeted him with rounds of applause. The speech of Mr. Davis was a most eloquent and feeling tribute to the eminent worth of the illustrious dead. It was a speech worthy of Davis and of Lee.

The following resolutions were submitted by Col. Venable for the Committee and were unanimously adopted:

Whereas it is a high and holy duty, as well as a noble privilege, to perpetuate the honors of those who have displayed eminent virtues and performed great achievements, that they may serve as incentives and examples to the latest generation of their countrymen, and attest the reverential admiration and affectionate regard of their compatriots. And whereas, this duty and privilege devolves on all who love and admire General Robert E. Lee throughout this country and the world, and in an especial manner upon those who followed him in the field or who fought in the same cause, who shared in his glories, partook of his trials, and were united with him in the same sorrows and adversity, who were devoted to him in war by the baptism of fire and blood, and bound to him in peace by the still higher homage due to the rare and grand exhibition of a character pure, and lofty, and gentle, and true, under all changes of fortune, and serene amid the greatest disasters. Therefore be it

1. *Resolved*, That we favor an association to erect a monument at Richmond to the memory of Robert E. Lee, as an enduring testimonial of our love and respect and devotion to his fame.

2. *Resolved*, That while donations will be gladly received from all who recognize in the excellencies of General Lee's character an honor and an encouragement to our common humanity, and an abiding hope that coming generations may be found to imitate his virtues, it is desirable that every Confederate soldier and sailor should make some contribution, however small, to the proposed monument.

3. *Resolved*, That for the purpose of securing efficiency and dispatch in the erection of the monument an Executive Committee of seventy-five, with a President, Secretary, Treasurer, Auditor, &c., be appointed to invite and collect subscriptions to procure designs for said monument, to select the best, to provide for the organization of central executive committees in other States which may serve as mediums of communication between the Executive Committee of the association and the local associations of these States.

4 *Resolved*, That we respectfully invite the ladies of the Hollywood Association to lend us their assistance and co operation in the collection of subscriptions.

5. *Resolved*, That we cordially approve of the local monuments now proposed to be erected by other associations at Atlanta, and at Lexington, his late home, whose people were so closely united with him in the last sad years of his life.

6. *Resolved*, That while we cordially thank the Governor and Legislature of Virginia for the steps they have taken to do honor to the memory of General Lee, yet in deference to the wishes of his loved and venerated widow, with whom we mourn, we will not discuss the question of the most fitting resting place for his ever-glorious remains, but will content ourselves with expressing the earnest desire and hope that at some future proper time they will be committed to the charge of this association.

Handsome eulogies were then pronounced by a number of gentlemen.

The resolutions having been adopted, the Lee Monument Association was formed by the election of the following officers:

President—Lieut. Gen. Jubal A. Early.
Secretary—Col. T. M. R. Talcott.
Treasurer—Col. Wm. W. Palmer.
Auditor—O R. Allan.
Executive Committee—Walter H. Taylor, Bradley T. Johnson, Robert Stiles, R. D. Minor, R. H. Maury.

The meeting then adjourned.

SECRETARY OF THE INTERIOR.—Gen. Cox of Ohio, the late Secretary of the Interior, is assailed by some of the Radical papers for publishing the correspondence between himself and Gen Grant in relation to his late resignation. The President is represented as being displeased with Gen. Cox and resolved upon paying him back. The more moderate and respectable Republican papers fully endorse Gen. Cox's course, and pronounce him as one of the most honest and efficient members of Gen. Grant's cabinet. Gen. Cox could not sanction the corruption and partizan trickery which he saw constantly mixed up with the conduct of Radical officials, and his sense of honor and propriety would not allow him to remain connected long er with the administration. It is a pity that Grant should not be able to retain the few honest men connected with his administration.—They are very much needed not only in Washington but in all the official stations of the country held by the Radicals.

CANVASS FOR CONGRESS.

EDITOR SENTINEL: In view of the short time (only two weeks) intervening between the meeting of the Franklinton Convention and the day of election, and consequently the impossibility of our candidates being able to canvass the whole district in so short a time, would it not be advisable for the best speakers and most influential gentlemen in every county in the district to make several appointments immediately in their respective counties and rouse their friends and neighbors by a most active and vigorous canvass? The majority for Judge Gulliam in the district was not quite 450, while the vote for Shipp and Phillips was a tie, which fact must stimulate and urge us to an increased majority in this election, and this can be obtained only by active working and canvassing. In an election like the present one, the Radicals will have an advantage, inasmuch as their majorities are principally in the towns and villages. Of course notice of the election is given to every one, but in the rural sections, where lies the strength of the Conservatives, many persons will not have heard of the election until it is over, and thus materially reduce our majority. These suggestions are made in no discouraging spirit, but rather for the purpose of inciting and stimulating our friends to the importance of an *efficient canvass* in every county, by which the Metropolitan District may roll up a majority of fifteen hundred! Will not our friends then go to work, and thoroughly *stump* their respective counties, so as to give the final death blow to expiring Radicalism in this district?

Nov. 7, 1870. CANVASS.

[The suggestions of "Canvass" are excellent, and ought to be carried out. As barbecues are so easily gotten up by the contribution of provisions in the several neighborhoods, we suggest that three or four be gotten up in each county and that arrangements be made for speaking. Our speakers in the several counties ought to get together at once and arrange for public speaking at every point. Remember! Rely upon your county speakers and not so much upon speakers from abroad.]

CANDIDATES FOR CONGRESS.

MR. EDITOR:—As it has been agreed upon to meet at Franklinton on the 11th, to nominate a gentleman in the place of Judge Gilliam, deceased, to represent this District in Congress, for the short term, and as the names of several gentlemen have been presented to the public, through the columns of your paper, as suitable for the same, allow me to suggest the name of Col. J. W. Sharpe, of Selma, Johnston county. Col. Sharp is doubtless well known to most of the members of said Convention, having presided over the same as President two years ago. He is one of the most uncompromising Conservatives in the State, and ready at all times to render service when called upon. He is well versed in politics and always ready to discuss them with ability and telling effect.—He settled the town of Selma four years ago. The county was then strongly Radical. He subscribed liberally and through his influence and means. Was instrumental in getting up the largest Conservative meetings, at Selma, that was ever seen in the county, until now, the county is strongly six hundred majority for Judge Gilliam and seven hundred for Rogers, at the last election. Col. Sharpe is a man of known ability, and if nominated will do more or as much as any man in the District to show the enemy up in his true colors, and expose his deformity and trickery from beginning to end. C.

STATE ITEMS.

A few days since in Ashe County, Mr. John Walker, aged 65 years, married Miss Nancy Green, a gushing damsel of 72 summers. A most happy consumer of "love's young dream."

The Radicals of Newbern are beginning already to kick up a muss about the Mayoralty. The re-election of the present incumbent, Mayor Berry, will be opposed by a carpet bagger named D. N. Kilburn.—When rogues fall out, etc. etc.

One Sutton, a Republican luminary in Newbern and member of the Board of Commissioners of that County, got drunk and assaulted a little negro boy and then had an interview with His Honor, the Mayor.

The Conservatives of the Senatorial district, consisting of the counties of New Hanover and Brunswick, have nominated Maraden Bellamy as their candidate to fill the vacancy occasioned by the death of A. H Galloway.

A juvenile, aged about 5 years, was recently picked up in Wilmington and sent to the Orphan Asylum, who gave his name as Doctor Edward Charles Augustus Cowan Powell.

It is stated that Col. E. A. Osborne, Clerk of the Superior Court of Mecklenburg County, is about to lose his eye sight.

Every Editor in the State has within the last month been presented with the largest sweet potato that this continent ever had the honor of producing.

Fullwood's Postoffice, Mecklenburg County has been re-opened.

"Possum" and baked potatoes is now the fashionable dish in Wilmington.

The meeting of Wilmington Republicans, held in the city Hall on Friday night, as usual, broke up in a free fight. The *Post* complains that the police do not attend the gathering of its friends.

The married men of Wilmington being ruled out of the Tournament to come off during Fair week, have determined to get up one on their own hook.

The Fair grounds at Charlotte are being put in first rate order.

F. H. Sprague, Esq., of Salisbury, died suddenly on the night of the 6th inst., of congestion, in his office in that town.

M. F. Arendell, ex Surgeon in Holden's melish, and L. J. Moore, rival Radical candidates for the Senate in the Craven District, are said to be very bitter on each other. They met in Beaufort the other day and blackguarded each other in the most approved style.

Judge R. R. Heath, formerly of this State, but who has been living in Memphis, Tenn., for the past 12 months, has taken up his residence in Jefferson, Ashe county.

A little girl, daughter of Harrison South, of Watauga county, last week, was caught, by her clothes, in a mill wheel and immediately crushed to death.

There was a general jail delivery at Lumberton on Friday night. Some half dozen prisoners made their escape.

At the term of the Superior Court at Lincolnton last week, Lee Dunlop, colored, who killed James A. Gleason, white, in Charlotte about two years ago, was convicted of murder in the first degree. The sentence of death was stayed by an appeal to the Supreme Court.

DOWN EAST.

DEAR SIR: Myself and others wish to make some inquiries of you, or rather through you of those in power. We want to be a law abiding people and do not wish to do anything that will cause us to get in trouble. We are getting wonderful scared of the Revenue officers and do not know when we are doing right.

The inquiry is this: we have a fine crop of persimmons down here; we think more than the wild *sarmints* are able to destroy, and we would like to make some beer of them, if we were not afraid some revenue officer would come and seize it about the time it got ready for use, and we would lose our beer and be carried to Court and then have to pay them for it.

Sweet potatoes are now coming on and beer and sweet potatoes are one of our luxuries while we sit by our warm fires in the cold icey nights of winter. We want to know if we can make it and enjoy it, without being interrupted by a revenue officer.

You can make inquiries through your paper. We do not wish for you to insert this, though you can fit it up for the purpose just as you may like and insert it in your paper.

Believe us to be,
Yours truly, &c.

HESTER'S PARISIAN MILLINERY STORE seems to be alive this week with a fresh lot of hats, bonnets, flowers and feathers, and from the crowd of customers continually in there, we suppose the prices must be attractive as well as the goods. They are sending bonnets and hats off by express daily to fill orders at a distance.

NEW ADS.—The M. B. & L. A. meets on Friday night, the 11th inst., in the Court House.

See the advertisement of the North Carolina Beneficial Association in Wilmington. The drawing comes off 1st Dec. Mr. Bernard, of the Wilmington *Star*, speaks well of it.

When this paragraph meets the eyes of the reader, "ye Local" will be enjoying the hospitality of his old friends and acquaintances in Halifax, visiting the Weldon Fair, and passing in other ways pleasantly, a few days away from the cares and labors of the tripod. He will send, however, a daily account of whatever things are worthy of record that may come within the scope of his observation.

BAPTIST STATE CONVENTION.—This body convenes to day at 11 o'clock A. M., in the Baptist Church of this city. A large number of delegates are expected to attend. Its proceedings this session will be of more than ordinary interest. It is our purpose to give our readers daily reports of the proceedings Rev. Dr. Royall will preach the introductory sermon at 7 o'clock, P. M.

The Virginia Cotton press of Tappey, Lumsden & Co., of Petersburg, Va., we learn, took the premium last week at the Charleston Fair.

DEAD.—Mr. Daniel D. Phillips late of Hillsboro, N. C., but an agent of the Utley Cotton press in the South, died a day or two ago in the city of Mobile. This we learn by telegraph. He was well known in this city and in Orange. His life was insured in the Connecticut Mutual Life, for $4,000.

FINE APPLES.—First one thing and then another—principally the misplacing our note book—has prevented us noticing at an earlier day, the display of fine apples on exhibition at our State Fair, contributed by Dr. A. A. Scroggs, of Lenoir, Caldwell county. There were twenty five different varieties, several of the specimens of which, we judge, would have weighed a pound or upward, each. We acknowledge the reception of a liberal share of them to experiment on, the last of which made a dignified exit day before yesterday, and we are certain we never tasted apples of more agreeable flavor. The western counties of our State are certainly as well adapted to the production of fine fruits, especially of apples, as any portion of the globe.

By the way, would it not be a good idea for the members of the General Assembly, when they come to Raleigh this winter, to bring samples of apples from their respective counties, and let us have a sort of apple show. We will do our best in determining the merits of the different contributions.—Who takes?

ANOTHER ATTEMPT TO BREAK JAIL.—We are informed by Deputy Sheriff Magnin, that four white men, Lewis Franklin, Rufus Ford, David Fann and William J. Harrison, confined in jail here on various charges, concluded last week to quit the "Hotel de Lee" for other quarters. By the indulgence of the officers, the friends of the prisoners had been allowed to visit them, and had secretly furnished them with a pocket knife and a case knife, of which they had made saws and used them pretty effectually in sawing the bars of the window of their cell. Saturday night being a suitable one for their purpose, they intended to leave without settling their bill or bidding good-bye to their landlord; but Deputy Magnin, returning from Tucker Hall, where his efforts to detect the tricks of the Davenport brothers had proved unavailing, concluded he might have better luck in regard to the tricks of his jail birds, placed himself on picket with a six shooter. He heard them sawing away, which they continued to do until 4 o'clock Sunday morning, when everything was nearly ready for their exit. At this time, having taken cold from standing out all night, Magnin had the same misfortune happen to him as that recorded of the lad in "Thinks I to Myself" and let off a up-roarious sneeze.—This alarmed the birds who immediately retired from their enterprise and went into an immediate sleep.

In the morning Mr. Magnin informed the birds that they must change cages; against which they pleaded hard but without effect. They were placed in the cell below, lately occupied by the convict Stinson, to ruminate at leisure on the uncertainties of human events.

The South Carolina State Fair opens at Columbia to-day.

MAY CHERRIES IN NOVEMBER.—Mr. D. H. Olive of this county residing eight miles from this city, on yesterday morning showed us a bunch of ripe May cherries, a second crop, which he plucked from a tree on his premises on yesterday the 7th of November. This among other indications, shows the extreme mildness of this season. No killing frost has yet appeared,

A CURIOUS RECORD.—Mary Jane Henderson, colored, formerly the slave of Lewis Henderson, of Wake county, seems to have been peculiarly unfortunate in her marital relations. Her first husband, Isham Evans, was hung in 1861, in this county, for arson. Her second husband, Nero Davis, is now in the Penitentiary under a sentence for life, for the murder of Smith Green, in Orange county, last year. One of his accomplices in that murder, was John Smith, who was hung, the other Jenny Green, the wife of the murdered man, is now in the Penitentiary for life, having had her sentence commuted from hanging.

The last husband, or mate, of Mary Jane, was William Stinson, who was hung here last Friday, for rape. This Stinson is the same man who, under the name of Joe Latterloh, was tried in Hillsboro', last Spring, as an accomplice in the murder of young Bialock, but was acquitted for want of evidence. Tom Young and Bob Gunn were convicted and hung for Bialock's murder.

With the exception of Isham Evans, all the others mentioned above were boon companions and associates of Stinson, and to the gang, no doubt, might be credited much of the crime that has occurred in this and adjoining counties for the last two or three years. We obtained the above facts from Deputy Sheriff Maguin, who obtained them from the woman, Mary Jane. She has been connected with them in their wanderings from county to county, in all their scrapes.

THE COTTON STATES FAIR.—The Fair recently held at Augusta, Ga., was a remarkable success. The following gentlemen from the Old North State were present: P. M. Edmonson, Col. A. A. McKay, Gen. A. M. Scales, Col. J. L. Morehead, Major J. A. Engelhard, Capt. J. R. Thigpen, J. S. Woodward, Col. Wm. Johnston, R. T. Fulghum and J. Y. Bryce.

Twelve States were represented, one hundred and forty delegates answering to their names. Missouri was represented by a delegation which arrived in the city Wednesday night with a train of cars direct from St. Louis, the first that ever crossed the Mississippi River below the Ohio.

Gov. Senter, of Tennessee, offers a heavy reward for the arrest of masked marauders in Rutherford county, in that State, who have killed three persons, Conservatives, during the past week. Were these Radical Ku Klux? Of course they were, and many of the crimes attributed to Ku Klux in North Carolina, were committed by Loyal Leaguers *alias* Radical Ku Klux.

REV. A. B. EARLE.—It will be remembered that this very successful revivalist, promised to hold a meeting in Raleigh in June last, but was prevented from doing so by sickness. He now writes that he is engaged in a most wonderful meeting in Lyons, New York, from which place he will proceed to Memphis, Tenn. and will begin his meeting in Raleigh on the 27th inst. ten days later than was at first proposed. Mr. Earle has preached seventy sermons during the last month, and from newspaper accounts, his preaching has been attended with most extraordinary success. He will remain in Raleigh about ten days.

An Autumn Suggestion.

Now, as heavy fogs arise and searching winds commence to blow; now, as the human body, exhausted like inanimate nature by the heats of summer, begins to wilt and droop; now, are the inclement winter makes its trying onset; now is the time for a preparatory course of the best acclimating medicine in existence: Hostetter's Stomach Bitters.

Fever and Ague is rampant in all parts of the country. Quinine, the physicians admit, will not quell the phase of the disease which at the present pervades the embers West. It is well that it is so, for the remedy (so-called) is deadlier than the malady. But if quinine is inefficient in intermittent fevers, Hostetter's Bitters is irresistible. It would be safe to make a contract, under heavy penalties, that any given "Fever-and-Ague District" should be exempted from the disorder for any particular time, provided every inhabitant would take the Bitters according to directions, during the term of the contract.—There has never been an instance in which this sterling invigorant and anti-febrile medicine has failed to ward off the complaint when taken duly as a protection against malaria. Hundreds of physicians have abandoned all the officinal specifics and now prescribe this harmless vegetable tonic, and nothing else, as a preventive and cure for all the forms of chills and fever. Vigor is the thing most needful in these cases, as well as in dyspepsia and nervous affections, and Hostetter's Bitters are the safest, surest, and most wholesome strengthening preparation that human skill has yet concocted.

TELEGRAPHIC.

Tuesday Evening Dispatches.

NEW YORK.

NEW YORK, Nov. 8.—The *Tribune* has a special from Biois, dated Nov 5th, which says: "The army of the Loire is falling back towards Bloss. It is reported that the Prussians have been reinforced by forty thousand from Metz. The French will not fight unless attacked, the government fearing the effect of a reverse. The government will not risk anything toward relieving Paris for six weeks.

This army equals the Prussian army immediately in front, but lacks confidence among the men and the want of sympathy among officers with the present government. I have travelled much in the neighboring districts and the government is every where distrusted and disliked.

NEW YORK, Nov. 7.—Midnight.—The city is quiet. Every thing indicates a peaceful election. Five thousand federal troops are quartered between North and East rivers. There was an immense mass meeting of Irish Democrats last night.

The voting proceeds quietly. The vote will probably be larger than heretofore. Many citizens who habitually take a part in elections are seen at the polls. The Inspectors, Marshalls and police thus far work harmoniously.

The *Tribune's* special from New Orleans says that the city has gone Republican by five thousand and the State by 20,000, and that the Republicans have four out of five Congressmen, with the fifth district being doubtful. The Legislature is largely Republican.

CALIFORNIA.

SAN FRANCISCO, Nov. 8.—The Eastern bound train was stopped on Saturday evening by five men, supposed to be deserters from camp "Halleck," the Express car was detached and robbed. A special train with police and horses started for the scene, near which a glove was found marked "Carr," who killed a woman at camp Halleck. It is raining throughout California.

FOREIGN.

LONDON, Nov. 8.—Bismarck explains the rupture of the armistice negotiations. The French government declared its inability to accept the armistice with the military operations remaining *status quo*. Bismarck then proposed that the French name the time for holding an election, the Germans promising free elections even in the territory now occupied. Theirs withdrew to the out-posts to consult with Favre and Trochu, and returned without power to accept the Prussian proposition. The King has issued an order forbidding egress or ingress. Five passengers just captured will be court martialed.

The *Times* this morning has reason to believe that the bombardment of Paris will not begin for two weeks. The King is reluctant to destroy so grand a city, and is giving the French every opportunity to negotiate for peace.

BERLIN, Nov. 9.—All the papers here official and otherwise, throw the responsibility of the impending destruction of Paris upon the French.

MARKETS.

NEW YORK, Nov. 8.—Flour and Wheat quiet; Corn scarce and firmer; Pork and Lard quiet; Cotton easier, Uplands 16¼, Orleans 16¾, sales 1,000 bales; Spirits Turpentine quiet; Rosin steady.

Stocks steady; Gold 112; Sterling long 9 short 9¼; 6's 8¾.

LONDON, Nov. 8.—Consols 93¼, bonds 93¾.

LIVERPOOL, Nov. 8.—Cotton opened quiet, Uplands 9¼, Orleans 9¼, sales 10,000 bales.

Tuesday Night Dispatches.

WASHINGTON.

WASHINGTON, Nov. 8.—Four whites were wounded and two negroes shot in Camden county New Jersey. A sharp fight is reported between the whites and blacks in Wilmington, Delaware. The Republicans were a thousand votes ahead in Boston at noon. Wendell Phillips received only four hundred and fifty votes. Twichell and Hooper are re-elected from Massachusetts. Returns from 84 Districts in New York, outside of the City, show a Democratic gain of 2,965. Hoffman is re-elected Governor.

Warren is elected from the Troy District, probably by 2,500 majority, a democratic gain. Archer and Swann are elected from Mary and by large majorities.

Returns from New York city indicate forty thousands majority for Tilden.

Lee has 4 majority in Melville, New Jersey; a Democratic gain of 150. Hall is probably elected Mayor of New York, though he runs far behind Hoffman. Ketchum is re-elected in the 12th New York District.

"Long John Wentworth is beaten in the Chicago District. Sloeum is re-elected in the Brooklyn District by 600 majority. Halsey is elected in the 5th New Jersey District by 3,000 majority; a Republican gain.

A full vote of Boston gave Claffin 10,000, Adams 9,930 Phillips 1,866.

Morris township N. J. elects the entire Republican ticket.

VIRGINIA.

NORFOLK, Nov. 8.—Everything quiet. Three wards give Platt one majority, with a ward to hear from, which has 200 negros registered majority.

Alexandria is Republican by 150. Manassas is Republican by 7 majority. Fredericksburg is Democratic by 200.

A dispatch from Staunton Virginia, says that the sixth district is close.

A dispatch from Petersburg says that Platte is re-elected by an increased majority.

LOUISIANA.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as in the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending "December, 1, 1869, was $51,021,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" So well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen, & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHED FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet · Size Bale 4½ feet 26x28x20in; wt. Bale 400 to 550 lbs.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

LIFE INSURANCE AS AN INVESTMENT.

THE

Widows & Orphans

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring Dividens annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "*Dividends surrender values guaranteed*" as an inducement to new business, but reference is made to the strongest amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several hundred* policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Fictitious Dividends* are not declared, but Dividends are given from the actual surplus in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of advantage the security of a Life Insurance Corporation *depends.*

The laws of New York *compel* Companies in that State to calculate the Cash values of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
